STEP 1

Accept your creative potential

Let's affirm together our acceptance of the creative potential:

In the name of the I AM THAT I AM and Archangel Gabriel, I accept my creative potential.

In the name of the I AM THAT I AM and Archangel Gabriel, I accept my creative potential.

In the name of the I AM THAT I AM and Archangel Gabriel, I accept my creative potential.

STEP 2

Call upon Archangel Gabriel for inspiration

Archangel Gabriel and Archangel Michael: Come forth now. Give us the inspiration we need and make our goals and divine purpose clear to us, according to our individual divine plan.

Let's give this decree three times:

**I AM life of God-direction
Blaze thy light of truth in me.
Focus here all God's perfection,
From all discord set me free.
Make and keep me anchored ever
In the justice of thy plan—
I AM the presence of perfection
Living the life of God in man!**

STEP 3

Contemplate your aspiration

QUESTION #1: What is your aspiration? What do you really want to create right now?

QUESTION #2: Why do you have this aspiration? What has given rise to it? Why do you really want it?

QUESTION #3: Is the aspiration in alignment with the Divine Intent? Is it selfish? Is hurting any part of life? Is it serving other parts of life besides you?

STEP 4

Tap into the flow of your inner motivation

Here we want to fire up your inner motivation.

Your calls to the archangels and the clarity of your motivation is what will sustain you when negativity strikes as it surely will.

Please answer these two questions to help you understand the implications of fulfilling or not fulfilling your abundance goal.

QUESTION #1: What do you have to have to lose if your abundance goal doesn't come to pass? It's always best not to use fear as a motivator. It's a very deep primal process, and yet, we'd rather use higher emotions as fuel for our creation process.

QUESTION #2: What do you have to have to gain if your abundance goal is fulfilled?

STEP 5

Work with Gabriel again and revise your aspiration

This is a simple step.

Speak to Archangel Gabriel again and wait for any inspiration you may get.

Make a call to him and Archeia Hope in your own words.

The point here is to listen and feel in your heart if you need to change your goal in any way. In the next step, I'll show you how to write a simple but powerful abundance goal.

STEP 6

Work with Gabriel again and revise your aspiration

The simple abundance goal has two components:

The **WHAT** and the **SO WHAT**.

The **WHAT** is the cause and the **SO WHAT** is the effect.

That's all you need for now. Later when we go over the step of manifesting your abundance goal with Archangel Raphael, we'll refine your goal further.

WHAT (Cause): Write down the statement as if the goal is realized in your hands and use today.

Forget 'How' your goal will come to pass and concentrate only on the 'What', i.e., the final outcome.

SO WHAT (Effect) -WHY IT MATTERS? WHAT ARE THE POSITIVE OUTCOMES. Write what the aspiration really gives you when it comes to pass.

You can use statements from Step #4. See it now on the screen of your mind.

How does it make you feel?

EXAMPLE #1:

WHAT: I am the manifestation of abundance and money coming to me without struggle and overflowing in every possible way. I have \$10,000 in my bank account now! All my bills are easily and effortlessly being paid every month and I feel I am part of the effortless divine flow.

STEP 6

Work with Gabriel again and revise your aspiration

SO WHAT: I am at last free of time constraints. I own my time and I can do whatever I want with it. I now work on my mission daily. Every cell of my body is bursting with joy and happiness. I am finally free to serve Life and work on it 24/7!!

EXAMPLE #2:

WHAT: I am enjoying to the fullest my home-based business which brings me a minimum of 25,000 dollars per month. All my bills are effortlessly being paid every month and I have plenty of money to spare. I am worthy to receive abundance.

SO WHAT: I am independent and free from anxiety, at last! I own my time and I can do whatever I choose with it. Now I spend more time with my three-year-old son, whom I love so dearly. I take long walks and commune unhurriedly with nature. I work on my mission daily and I now I'm making a difference.

EXAMPLE #3:

WHAT: My refuge for single, abused women is a blazing reality. We receive over \$33,000 per month in grants and private donations.

SO WHAT: We serve women from all walks of life and provide comfort, support, and education. In our refuge women earn back their self-respect and feel worthy again to stand up for themselves and become productive members of society. I am so thrilled this refuge has become a reality!

STEP 6

Work with Gabriel again and revise your aspiration

Now it's your turn:

WHAT:

SO WHAT:

STEP 7

Make a deep Soul Choice to manifest your goal no matter what...while being non-attached at the same time.

After you clarify your goal and feel in your heart it's the right one for you at this stage in your life, what you need to do is to make a deep soul choice to accomplish that goal.

This is the part where you commit yourself to seeing your goal through and you determine to pull it off no matter what.

You hold firm to your original decision and you don't change it with every passing whim.

You draw the fire from the deepest part of your being and resolve that you will accomplish your noble goal, no matter what.

The archangel who can help you sustain your deep soul choice is Michael, the archangel of faith and self-mastery.

Remember, you can use your own words when calling upon the power of the archangels.

Or you can simply say: Archangel Michael: Help me! Help me! Help me!

At the same time as you are determined, it's good to also be not attached.

You strive hard, and yet you surrender to the divine flow and you thank God and the archangels come what may.

It's a very fine point!

Please note that just going through these simple but powerful steps will put you ahead of many people and open you up to receiving the blessings life has in store for you.
